Malmö, Sweden

### MY EXPERIENCE IN GAMING

I have been playing video games for as long as I can remember.

My journey started with NES and SEGA, then on to Nintendo 64 and Playstation 1, since then I have been a faithful player of Playstation with PS2, PS3, PS3 Slim, PS4, PS4 Pro, PS5.

I have also had periods with PC Games and Xbox.

### WORK EXPERIENCE

#### GREENKEEPER

Barsebäck Golf & Country Club | april 2006 - feb 2017

Greenkeeper is a rather social and service-minded job, both between colleagues and also externally (e.g. towards golfers).

My job as a caretaker of the fairway surfaces could sometimes be an independent job.

Learning experience:

- Planning my day and changing it if necessary.
- Team work, at the big events that Barsebäck hosted during my time there, because we had to be done with in the organizers' schedules.
- Stress-resistant
- Play golf

#### MACHINE OPERATOR

Malmö City | april 2017 - augusti 2023 -  
(continued as an hourly employee - Present)

It's a lonely job (but not necessarily a bad thing).

As a tractor driver who keeps things neat and tidy on Malmö beach, an irrigation manager or a City Street Sweeper driver, you learn a lot.

- responsibility for getting your tasks done
- that your job tasks are done correctly (without injuries)
- take care of your tools/vehicles (so that everything works as it should) cannot do a job without them.

#### Other experiences |

- Volunteer at nordic game c
  - Helped exhibitors if they had problems
  - Receptionist (welcomed new visitors)
  - Walked around, chatted with visitors and exhibitors
  - Helped visitors who asked for directions
- Combat vehicle driver Revingehed
  - Learning to function as an individual, to work in pairs, to work in groups, to work in companies, to work in regiments and to eventually be able to work as a battalion
- Trained Personal Trainer
  - Create training schedules for clients to achieve quick but gradual goals
  - Anatomy of the body
  - Diet and nutrition
  - Training techniques for different types of training
- Long-time participant in Toughest OCR
  - Self-awareness
  - Helping others (in case of injuries etc.)
  - Cooperation at the various obstacles on the course

### SKILLS

- Unreal Engine 5
- Unity
- Blender
- Premiere Pro
- P4V
- Youtrack
- Mixamo
- Cura 3d-print
- Fusion 360

### EDUCATION

#### THE GAME ASSEMBLY MALMÖ

Leveldesign | augusti 2023 - present

- Knowledge and understanding of level design
- Different game engines
- Cross disciplinary work

#### SKURUP OCH FRIDHEMS FOLKHÖGSKOLA

Gamedesign | augusti 2022 - juni 2023

- Game structure
- Leveldesign 101
- Worldbuilding 101

#### MALMÖ UNIVERSITET

Productdesign | sep 2020 - did not graduate

- Design processes
- Rapid prototyping
- 3d-prints
- Graphic design - Basics

#### CELCIUS GYMNASIET

Electrician | 2001 - 2004

- Connect electrical control systems
- Troubleshooting electrical systems
- Electrical knowledge for different types of electrical systems
